Notes/Prayer Requests:

Victor Knowles has a Warthin's tumor (a benign tumor of the salivary gland) for which he is taking antibiotics. He will also be seeing a surgeon in Springfield. Meanwhile, his second cataract surgery is still scheduled for August 3rd.

Jerry Johnson is still in Freeman Hospital with Covid pneumonia as of Friday but is very antsy to go home. He has had a rough week & needed oxygen at very high levels. His fiancé Natalie has been released to return to work but has a damaged artery in her right arm, causing a solid hard hematoma. It should heal with time.

Roberta McReynolds will be making another trip to St. Louis to see her doctor on Thursday. Please continue to keep her and Frank in your prayers.

Danny Shea's Grandma Colleen, who is 89-yrs-old & lives in Idaho, is positive with Covid even though she had her vaccine. Please keep her and Grandpa Loren in your prayers.

New Member Spotlight

Hello, Mt. Hope family. I, Mark DeMent, am but a simple man hoping to be the man God wills for me to be. I was taught to stand and work to be an honest man in all that I do. I grew up in Southeast Missouri (Ozarks). I worked in lead mining for a few years after high school and then started working contract work in carpentry. Went out to Colorado and started coal mining. In Oct. 2018 I confessed Jesus Christ as my Lord and King. Came back to Missouri to keep an eye on our parents for a few years with my wife, Stephanie, and son Taylor. I'm very happy to be a part of the body of Christ. - **Mark DeMent**

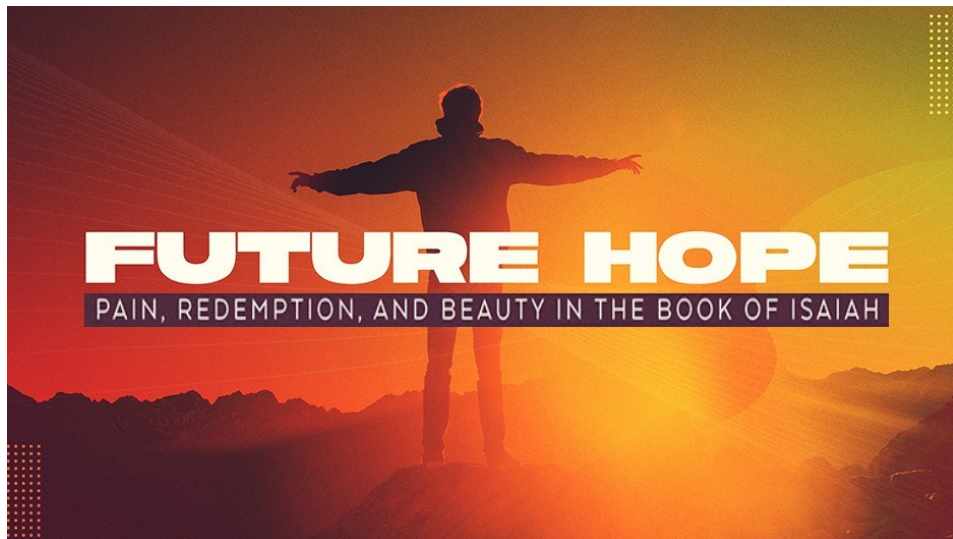

Wednesday Night Meals
